

SAVINGS AND SUPPORT THAT STAND OUT

MEMBERGUARD IS AS UNIQUE AS YOUR NEEDS.
PARTNER WITH US TO ENJOY THE BENEFITS.

What could MemberGuard do for your water facility?

MemberGuard provides specialized insurance coverage for water entities in California. It offers the potential of greater cost savings and valuable access to specialized services from the California Rural Water Association (CRWA).

Who is eligible?

Mutual Water Companies (MWC) – Non-PUC Regulated, Irrigation Districts, Water and Sewer Entities, Water Utilities (Public/Municipal, Not-for-Profit), Groundwater Conservation Districts, Water Treatment Districts, and more.

What coverages are offered?

We have a broad variety of insurance products to fit your specific needs, as well as enhancements. Coverages include:

- Property with water entity enhancements
- Inland Marine
- Crime
- General Liability with water entity enhancements
- Automobile
- Public Officials and Management Liability
- Cyber Liability, Privacy Crisis Management Expense, and Cyber Extortion
- Excess Liability
- Enhancements include drone coverage, fraudulent impersonation, water/wastewater professional activities endorsement, and others.

What are the advantages?

MemberGuard is fully-reinsured, could provide cost savings over standard insurance markets and has a responsive and local underwriting team. Our experienced claims department has managed over 49,000 public entity claims since 2004. Clients could also benefit from access to valuable CRWA resources, including classroom and hands-on training, technical/on-site assistance, and support from the Academy of Water and Education. Additionally, the CRWA has generated financial assistance with more than \$68 million in grant support for the water entity industry in California. We're here and ready to help you do important work for your community with more confidence and peace-of-mind.
